

QUINTA DE COTTAS DOURO

TOURIGA NACIONAL RED COTTAS

Type

DOC DOURO Red

Grape Varieties

Touriga Nacional

Grape Origin

The grapes came from our owned and directly explored vineyards located in Cima Corgo.

Vinificação

The harvest is manually to boxes of 25 kg. The grapes are selected, de-stemmed and crushed at the cellar entrance. A controlled temperature fermentation process follows. After the alcoholic fermentation it follows the natural malolactic fermentation, keeping the wine at about 20°C.

Tasting notes

A wine with a very deep color, very fresh, with subtle floral notes of the grape varietie and notes of black fruits like blackberries, currants and blueberries. Elegant wine with a solid structure and soft tannins. Long finish with floral notes of Touriga Nacional. A wine with great gastro-nomic skills.

Analysis

Alcohol: 12,5% vol

pH: 3,53

Total acidity: 4,6 g/L

Residual sugar: 0,6 g/L

Enology

Manuel Vieira
